VISION
To be recognized as a leading provider of pipeline transportation, storage, and terminaling services to the petroleum and petrochemical industries.
OUR MISSION

To provide our unit holders with a superior financial return.
OUR GOALS

• Outstanding customer service.
• Top tier safety and environmental performance.
• Cost effective asset management and operation.
• Employee competency, commitment and involvement.
OUR VALUES

• Communicating openly with customers, suppliers, the communities we serve and each other.
• Providing equal opportunity to every employee and encouraging diversity.
• Taking on responsibility and being held accountable for outcomes, always learning from our experiences.
• Working together to be innovative and creative.
• Respecting the views and opinions of others.
OUR COMMITMENT

To do our best, everyday.
