- Annual General Meeting

# CCQTA

- Canadian Crude Quality Technical Association
- Founded in 1996, the CCQTA is a registered not-for-profit Association in Alberta formed to:
  - *Facilitate the resolution of common crude oil quality issues through collaborative research*
  - *Develop and run “industry research projects”*
  - *Improve industry knowledge and awareness of crude oil quality*
- 65 member companies, 7 active projects
  - TAN, Condensate Quality, Contaminant Monitoring, Heavy Oil Stability/Compatibility, H<sub>2</sub>S PVT, Phosphorus, Bitumen Processability
