

Welcome to the 3rd Biennial Joint Meeting of CCQTA & COQA

Kananaskis, AB
19 – 20 June 2012

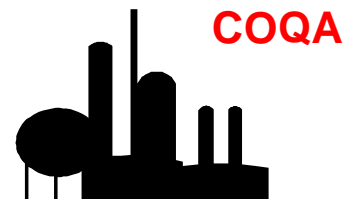

COQA's Mission

- Ensure quality and consistency of crude oil are maintained from production to refinery
- Expand definition of quality beyond API gravity and sulfur
- Oppose indiscriminate alteration in quality
- Promote better communications between all sectors of industry

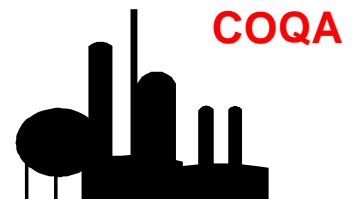

We

- Hold open meetings to share technical information
- Are proactive in all sectors of industry
 - Production, transportation, storage, trading, refining
- Promote better understanding of crude oil quality issues through
 - Active involvement with other industry groups
 - And disseminating information on our Website
- Work closely with CCQTA and meet jointly every other year

Meeting Policy

- Open forum for discussion of technical issues related to production, handling, transportation, and refining
- No restrictions on attendance or participation
- Consideration given to views of all
- BUT, the following are not discussed:
 - Price, pricing policy, cost, or discounts
 - Sales & production quotas, territories, allocations, shares
 - Endorsement or disparagement of products or services
 - Liabilities, warranties, guarantees, conditions of sale
 - Coercive practices or control of competition
