Crude Oil Quality Group.

Captain Ed Barsingerhorn.
Shell Trading and Shipping Co. (US)
Regional Marine Manager US
OCIMF WTF Chair.
(1) Atlantic Empress (1979) 276,000 T.

(4) Amoco Cadiz (1978) 223,000 T.

(7) Torrey Canyon (1967) - 119,000 T.

(35) Exxon Valdez (1989) 37,000 T.

(1) Atlantic Empress (1979) 276,000 T.
Our mission is to be the foremost authority on the safe and environmentally responsible operation of oil tankers and terminals, promoting continuous improvement in standards of design and operation".

A voluntary association

Was formed at a meeting in London on 8th April 1970, initially as the Oil Industry’s response to the increasing public awareness of Marine Pollution, particularly by Oil, after the Torrey Canyon incident.
